The way to build up Dallas is to patronize Dallas people.

### WHY THEY OPPOSE IT.

The recent disgraceful mob scene in Portland which insulted a distin- enforcement of law and such eneguished guest of the city, and prac- mies to society will cease to be, tically prevented free speech in a large auditorium, has awakened large amount of discussion which may result in finding out some things and in showing up a class of citizens in their true light.

The principal objections to General Baden-Powell and the Boy Scouts, as voiced by the Socialists, and their allies, the I. W. W. "neverworks," appears that the Scouts are being trainthat smacks of the military has the the judge, for that is what the judic- 4 16. condemnation of these people. Why? ial recall will mean in the end? We • Is it because they really believe that had a very emphatic illustration of \$\displays Dec. 25-Dallas 22, Silverton 17. the military is not necessary in this this, in the recent attempt of dis- 4 Jan. 12-Dallas 20, Mt. our institutions and our women from

Only the other day, a gang of I. W. W. men liberally besprinkeled with Socialists, marched to a number of the lumber mills in Hoquiam, Wash-OBSERVER PRINTING COMPANY ington, and induced the employes to strike. The men had no grievances, they were at peace with their wage scale, and were supporting their familles and satisfied. The mills had but recently resumed operations, and their employes were anxious to get in every day's employment possible, following a winter of idleness. Yet this horde of loafers, and men who earn whatever living they get, often Entered as second-class matter by questionable methods, and who March 1, 1907, at the post office at Dallas, Oregon, under the Act of Congress of March 3, 1879. induced a large number of weakminded workmen to throw up the jobs they needed so badly. A company of military handy when that invasion began, would have been a godsend to those laborers and would have assisted in keeping the bread in the mouths of the dependent familles who must now face more privations, at the behest of a collection of renegades and ruffians whose one and only ambition appears to be to make trouble and engender strife. Is ft any wonder that such as they object to the military?

And men of such character prate about the "plastic minds of the little
