Jas. C. Dahlmann, serving his third term as mayor, Omaha, Neb., again was successful in receiving the overwhelming support of the voters in the primary election. He also successfully rid himself of a bad case of kidney trouble by the aid of Foley Kidney Pills, and writes: "I have taken Foley Kidney Pills and they have given me a great deal of relief, so I cheerfully recommend them."

Marshfield's firemen have asked the city council to cease to consider the purchase of chemical engines, and to investigate the merits of the auto fire engine.

J. E. McKean, 1281 Cleveland St., Wichita, Kansas, reports: "I suffered from kidney trouble, had severe pains across my back, and was all played out. I began taking Foley Kidney Pills and soon there was a decided improvement. Finally the pain left entirely and I am fully cured of all my kidney trouble."

Silver Lake Leader: In the north people have a trick that is worth knowing. During cold snaps they fill tubs with water and set them in the cellar. The water freezes; the vegetables do not. Some time back at Klamath Falls they could raise nothing in the way of vegetables or grain. Now that they have irrigation canals full of water they are raising both. When we have canals in this valley why should it not make a longer growing season here?

Huntington News: Now that the city is prepared to furnish free shade trees to property owners, how about the lawns? A man has no right to consider himself in full dress simply because he wears a high hat.

Lebanon Express: Halsey is to have a newspaper. A. E. Adams, a Portland printer, will establish and operate the paper under a \$75 a month advertising guarantee for one year from the business men of that town.

Hood River Glacier: While demolishing one of the valley's oldest buildings, the Hutton house, on the J. M. Benson donation claim, workmen found in the ceiling of the attic a bill for the nails used in the construction of the dwelling. The paper, dated March 1866, had been made out by a hardware firm in The Dalles, Hood River having no stores in those days.

The director of the Lane county infirmary reports an expense of \$2.75 per inmate per week for the month of March, as against \$4.50 per inmate per week under the former contract system.
