

Quality The Real Test of a Real Store

IT IS not the quantity of clothing a store handles that makes it a good place to trade; it is the quality of the merchandise. If the garments shown by the institution are not correct as to style and right as to fabric they are undesirable, no matter what the price quoted. If you are a patron of this store you will agree with us that quality and quantity are closely allied as far as our own stocks are concerned. If you are not a patron it will be to your advantage to become one and share in the benefits of our greater value-giving.

The Dignity of Service

It is nowhere so well exemplified as in this store. There are two things a mother spends her money for—Goods and Service. That we have the right goods is conceded by all who have seen our XTRAGOOD Suits for Boys. But the quality of our service is not measured by what you buy. It is determined by the requirements of each individual case.

THE GOLDEN RULE IN BUSINESS

Is that one good purchase creates another. There are a lot of things that go to make a good purchase. You must get exactly what you want at what you wish to pay, and it must give the service you can reasonably expect. When it does you are undergoing an experience identical in every respect with that of all our regular customers to whom we sell

The Polk County district of the Rebekah Assembly will convene at Monmouth next Thursday at 10:30 a. m., and will be presided over by President Belle Belcher.

Jas. C. Dahlmann, serving his third term as mayor, Omaha, Neb., again was successful in receiving the overwhelming support of the voters in the primary election. He also successfully rid himself of a bad case of kidney trouble by the aid of Foley Kidney Pills, and writes: "I have taken Foley Kidney Pills and they have given me a great deal of relief, so I cheerfully recommend them." What Foley Kidney Pills have done for Mayor Dahlmann they will do for any other person bothered with backache, rheumatism, or any other form of kidney or bladder trouble. Just try them for quick and permanent results. Sold by Conrad Stafrin.

What's the Use
