METALLIC CARTRIDGES

Shoot to Hit

More—Their Use Guarantees the Life—the Continued Accuracy of your Arm.

96 years of gun-making—50 years of cartridge-making have taught us—

To make cartridges noted for straight-shooting—hard-hitting—sure-fire. To attain ammunition accuracy without impairing gun accuracy. To make for each kind of arm the cartridge it requires to shoot its best—and to keep shooting its best.

There is a Remington-UMC cartridge specially made for your rifle—your pistol. Every Remington-UMC cartridge is tested in the arm for which it is made. Our Guarantee is behind these cartridges—and behind any standard arm, to the full extent of the maker's own guarantee, when these cartridges are used. Shoot the cartridges that shoot straight. Shoot the cartridges that keep you on target shooting straight. Shoot Remington-UMC cartridges.
