Why not let us supply you with all your vacation needs, such as soap, perfumes, talcums, toilet waters, etc. at a price far less than you would pay away from home. Delightful Shopping

Where can you shop delightfully—this hot weather? I've had to keep perfectly quiet in order to live, yet you say you've had a day of delightful shopping.

Yes, I've been shopping in up-to-date stores—stores kept cool, dustless and well ventilated by

G-E Electric Fans

No wonder those stores are popular—they are so comfortable. They do as much business in summer as at any other season.

Money spent in electric fans is a paying investment. The 12-inch and 16-inch G-E Oscillating Fans are the most appropriate for stores. Their swinging breezes keep the air in good circulation throughout the store. The customers, being comfortable, buy with better judgment, and are satisfied.
