

HURRAH! VACATION

Does your grip or trunk contain the necessary needs to make your vacation complete and enjoyable. We have a variety of vacation helps that will save you worry and trouble while away. Better go on your vacation prepared with at least the necessary articles rather than to be compelled to hunt them up when you are far distant from a drug store, or when you have to pay an exorbitant price at a summer resort.

Vacation needs of all kinds for men and women.

Delightful Shopping
Where can you shop delightfully—this hot weather? I've had to keep perfectly quiet in order to live, yet you say you've had a day of delightful shopping.
Yes, I've been shopping in up-to-date stores—stores kept cool, dustless and well ventilated by

G-E Electric Fans
No wonder those stores are popular—they are so comfortable. They do as much business in summer as at any other season.
Money spent in electric fans is a paying investment. The 12-inch and 16-inch G-E Oscillating Fans are the most appropriate for stores. Their swinging breezes keep the air in good circulation throughout the store. The customers, being comfortable, buy with better judgment, and are satisfied.
