STATE NEWS Klamath Herald: At considerable expense the Women's Civic League has purchased 20 large and commodious garbage cans, of commanding presence, which will be placed in prominent places in the city. On the top of each will be the word "Refuse," while on the face of the can will appear "For City Beautiful, Women's Civic League."

Klamath Falls Northwestern: A boulevard which will follow the shore line of Link river and which will connect the west end of Main street with Upper Klamath lake, is the latest move on the part of local business men. The boulevard would give a splendid scenic drive-way between this city and the Upper Klamath lake.

Eugene Register: A Cottage Grove man has realized from \$15 to \$18 a day throughout the season for an acre and a quarter of strawberries. Yet there are people who say the price of upper Willamette valley land is so high it is impossible to make a living on it. It must be that such people's theory of making a living is to sell the land to someone else.

Canyon City Eagle: Patiently we have been waiting for dog days; the sizzling, scorching, burning kind; the kind that make an ice cream soda look good to sweltering man, and make one reach on the top shelf for last summer's gams and sweats. But there have been no hot days. There has been no time when it was hot enough to make a good excuse for a vacation.

Mr. and Mrs. Dietrich Neufeld, of Manitoba, Canada, came to Dallas Monday for a visit with Mr. and Mrs. G. J. Rempel; they were neighbors some 30 years ago in Mt. Lake, Minn. G. J. Rempel has an exhibition potato that weighs 4 1/2 pounds; some more record breakers for "Old Polk." Rev. S. S. Ediger and family, Rev. P. F. Prinsen and family, Elizabeth and David Rempel attended the immersion services at Salt Creek last Sunday. The prune driers will start the latter part of this week. P. G.
