Pavement Draws Business.
Main street, since the pavement has been laid, has become a very busy street, and almost any hour of the day a glance up from First street reveals many vehicles. A great deal of the traffic from the country, from the north and northwest especially, comes onto Main street, and the clank of the horses' shoes on the hard pavement cause visions of a busy thoroughfare in the near future.—Newberg Enterprise.

ENDORSED AT HOME.
Such Proof as This Should Convince Any Dallas Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness and should be appreciated. The following statement given by a resident of Dallas adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it: Mrs. E. C. Hutton, Clay and Lake streets, Dallas, Ore., says: "In 1907 I publicly endorsed Doan's Kidney Pills and I can now confirm that statement. This remedy was used in my family and it brought relief from backache and other symptoms of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Arthur Allen.
Republican Nominee for Assessor.

To the voters of Polk County:
Having received the Republican nomination for Assessor, I respectfully ask your support for my election November 5. My principles are: Rigid economy in office, courteous treatment to everybody. To be a servant of the people, not a boss; but shall be firm to do my duty without special favor and without fear. A careful and impartial consideration of every complaint. Cheerful assistance in looking up records, maps, etc. in the office. A low rather than a high rate of assessment. To be sure that property is not assessed higher in Polk county than in other counties, thus avoiding payment of more than our proportion of a state tax. To leave duplicate of assessments when made, and to notify you of any alterations, if any be made afterward. School district lines carefully drawn and property assessed in proper school districts. Large property owners' assessments in just proportion to the smaller. Corporations must pay their portion of the taxes. Favor community board of equalization. To guard the best interests of the people.

Respectfully,
ARTHUR R. ALLEN.

The Tungsten Lamp Has Brought Good Lighting To Millions

Since the tungsten (Manda) lamp was perfected, electric lighting, admittedly the best, safest and most convenient illuminant, has found its way into hundreds of thousands of cottages. Consuming only about one-third as much current as the old style carbon lamp to obtain an equal quantity of light, it has decreased bills tremendously and increased good lighting enormously. These are facts not generally known—otherwise there would be no unwired dwellings. Local electrical contractors are this fall equipping homes for the best lighting on very reasonable terms. Why not telephone 24 today and have our representative call and make estimate?
