

# GREAT ANNUAL CLEARANCE SALE

Commencing Thursday, Jan. 2nd, 1913  
At Campbell's Store

This annual event needs no introduction to the people of Dallas and vicinity as nearly every one knows that when a Clearance Sale is advertised by this store it means something. We have no excuses to make, we are not Over Stocked, we have not Over Bought, we are not going to Move, nor Going Out of Business. We simply want to turn our stock on hand into Cash before invoicing. Our prices will talk. Come early and you will make money by saving it. Don't forget the Time or Place: CAMPBELL'S STORE, Dallas, Oregon. The place where you get Good Service and Good Merchandise. The Store That Saves You Money.

|                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                     |
