THE HASTE OF DEATH.

The lives of 33 men have been sacrificed and a valuable vessel and more valuable cargo has been lost, to pay the demand for haste in the modern rushing, overpowering get-there-at-all-hazards life we are living.

The Rosecrans arrived off the mouth of the Columbia before daylight, when a howling gale swept the Pacific and the air was filled with the flying spray from the racing combers, whipped into angry mood by the relentless fury of the wind.

A few years ago the steamer Valencia, from San Francisco to Puget Sound, was wrecked at the northern entrance to the Straits of Fuca and 130 lives were lost, in much the same manner as the Rosecrans.

Only last April the most appalling marine catastrophe of modern history, was the direct result of the all-consuming speed mania.

Every machine sold from our stock at the above prices will be guaranteed for one year and the same can be exchanged for a new 1913 MODEL L. C. SMITH & BROS. TYPEWRITER at any time within one year on a very liberal allowance.

vessel, but such a course would have brought him into disrepute with his owners. The ship must make time, she was on her maiden voyage and every pound of steam must be utilized, every energy expended, every danger of the deep ignored, in an effort to clip a few minutes from former schedules in trans-Atlantic passages.

Here are three modern instances of the harvest of death as the direct result of the demands of the age in which we live. In the moment of danger we take the chance rather than the safer course which means delay.

The Republican prodigal son, one T. R., an ubiquitous gentleman whose postoffice address is Osyster Bay, declares that he will not return to the party. Possibly he thinks the calf is net yet fat enough for his needs.

It is extremely fitting that an "Irrigation Congress" should assemble in Portland. There are hundreds of "irrigation plants in that city, and they all did a good business with the delegates, some of whom didn't seem particular as to their brands.

CURFEW FAILS TO JINGLE.

Like Dallas Flapper Newberg's Falls to Flap.

The way mere children—young striplings of boys and girls hardly in their teens, are turned loose on the streets of Newberg to roam about of nights as they please, the only wonder is that more of them don't go to the bad. What can parents hope for with such utter disregard for any sort of discipline? Is Newberg any worse in this particular than other towns and cities, you may ask. Well, we don't know about that, but with a short walk about our streets on a tour of investigation almost any evening, on may easily conclude that there is room for improvement in the matter of boy and girl control on the part of many Newberg parents.

KNIGHTS TO GIVE BALL.

Falls City Brethren Plan Pleasant Annual Event.

Cascade Lodge No. 92, Knights of Pythias, at Falls City, have posted bills in the city advertising their annual "All Night K. P. Ball" to be given in Wagner's Hall at Falls City next Friday night, January 17, beginning at 9 o'clock.

Dr. Lowe does not, nor never has, used fake, dishonest methods in his business. He has been coming to Dallas for more than 20 years, and no one can successfully assail his honesty of purpose in his profession.

Good Typewriters Cheap.

SAVE \$35.00 TO \$65.00 BY BUYING REGULAR \$105.00 TYPEWRITERS SLIGHTLY USED. To avoid the necessity of returning a large number of EXCHANGE MACHINES to the factory, we have decided to place the same on sale at from \$35.00 to \$65.00, for rebuilt and slightly used machines of all makes at the above prices and on very easy terms of payment without interest.

Social Hygiene Discussed.

Dr. McNeil was in Portland Saturday attending a session of the State Osteopathic association. The doctor reports a most active and interesting meeting. Among the subjects discussed were papers on tuberculosis, anterior poliomyelitis, the work of the Research Institute which the osteopathic profession will build in Chicago, where continued research work will be carried on along osteopathic and scientific lines.

You and your children are safe if you wear Dr. Lowe's superior glasses. They cost you no more than the inferior grades usually sold, and you have the benefit of his skill and more than 21 years experience as an exclusive optician and optometrist.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J.
