The Big Cash Store at Dallas

ONE month ago we changed our business to a strictly Cash Business---and changed our prices to Cash Prices---and our customers seem to be as pleased with the change as we are, as we have made our prices so low that everyone can see the saving in buying for cash.

We are not buying a lot of Cheap John goods to sell cheap (at a big profit) but we are marking our regular lines at a **very small margin** of profit---and selling them for cash. Many broken lines we are selling for less than cost.

We have some Special Bargains in Ladies' Coats and Suits. Don't miss seeing these if you need a Suit or Coat.

Also in our best grade of Boys' Clothing, we are making a **BIG** Cut.

**Governor Sulzer Pours Woes
Into Patsy's Willing Ears**

Photo by American Press Association.

If this gentleman were not one of the governors of our United States and if this dog were not Patsy this picture would not be particularly worth your attention. In fact, you could pose just as good as this with your dog in your own back yard. But, you see, the man is Governor Sulzer of New York, and the dog is his closest confidant. If Tammany chief could hear all the things that Patsy's boss has poured into his willing ear they might feel more uncomfortable than they did even when they saw that Governor Sulzer had made his principal appointments without consulting them. Patsy thinks a lot of the governor, and the governor thinks a lot of Patsy.
