The way to build up Dallas is to give Dallas people.

PORTUNATE OREGON.

Stories of the terrific heat and drought that are oppressing Middle Western states may well cause the people of Western Oregon to congratulate themselves because of the mild and pleasant climate with which they are blessed...

The people of Western Oregon, whose sudden and destructive climate changes are unknown, can scarcely realize how quickly a smiling prospect can be changed into a gloomy outlook.

The following new books have been received at the Dallas Library for the summer reader: The Parasite, Martin. Bunker Dean, Wilson. Comrade Yella, Edwards.

THE SUPPER WOMAN.

An Eastern college for girls has assigned the task of producing the supper-woman, says an exchange. The process will be pursued largely out of doors and run through a period of 23 years, which, while seemingly long, is a much shorter span than nature has not been able to achieve human perfection in.

THE PRICE.

The fact that land prices in the Willamette valley are high—in fact a little too high—was impressively brought home by the recent visit here of the Portland newspaper men.

THE PRICE.

It is true that certain undeveloped lands in the Willamette valley are priced too high—too high for prices asked for well cultivated land.

PERRYDALE

Mrs. N. J. Wise returned Friday from a three months visit with relatives in Boise, Idaho.

Forest Notes.

Twenty-two states, including Hawaii, now employ state foresters. A 115-foot lookout tower on the Siskiyou national forest, Oregon, was built entirely of logs and without the use of hoisting machinery other than ropes and tackle blocks.

PEDEE

Clifford Burdick is not able to work on account of having a stiff neck. Walter West went to Arlie Saturday in his new thresher.
