That Pesky Air Bubble

That elusive little air bubble in the barrel of his fountain pen has stirred many a good man to wrath, and has caused him to say things for which he was afterward sorry. If he owned a Conklin Self-Filling Pen, he wouldn't have to fill it with a medicine-dropper. One quick pressure of the thumb—and his pen would be ready for use. Ask any Conklin man.

HEALTH HINTS

Never talk to sick people about their illness. If laid up pull bed from the wall, let sunshine enter, the coverings should be warm but not heavy, made twice daily, also one gown for the day and another for the night, change position of patient frequently, take water bottles out of bed when cool.

Water Bags Bottles, Atomizers, Brushes, etc., are often made from old

rubber rubbish—we don't handle that kind. You don't have to be a rubber expert when you buy here. You may rest assured that they will not give out maybe at a very critical moment when life depends upon their serviceability. Besides don't go without these much needed articles. Call on us in full confidence. The ethics of our profession enable you to do so.

Rain Coats.
English "Slip-on" rain proof coats for men, ladies or boys, from \$10 to \$25.—Phil Begin, Merchant Tailor, 24
Revival at Christian Church.
The revival at the Christian church opened Sunday morning at 11 o'clock with a large crowd present. Evangelist Brooke had not yet arrived, having been called unexpectedly to California some days ago and not being able to reach Dallas in time to open the meeting as expected, however the date of the meeting was not changed and each service will be carried out as planned, with the exception that the pastor will preach each evening until Thursday when Mr. Brooke will begin his work. G. E. Curtis has started his work well with a large chorus and orchestra, and the music at both services yesterday was full of inspiration and enthusiasm. In the evening the large auditorium was well filled and a rousing song service began promptly at 7:30. From the splendid enthusiasm manifested on the opening day of the revival there is no doubt that large things are in store for the people this campaign. After the song service Mr. G. E. Curtis greatly pleased the people with his first solo "He Lifted Me." Then followed an earnest and forceful sermon by the pastor, on the subject: "God's Dynamite" in which he clearly defined the principles of the gospel.

—Twenty soldiers were killed and about 100 hurt when a train plunged through a trestle near Meridan, Miss. All were privates and members of Company 39, Coast Artillery, U. S. A.
—Friends of Franco Gregorio, of Douglas, Ariz., who had taken his supposedly dead body to the undertakers, were surprised when he suddenly sat up and enquired "What's doing." While in the delirium of a sickness, he had fallen off an embankment. The physician who was hastily called thought he would soon be all right again.
—Registration for the coming election has been very heavy the past two weeks. Friends of the State University have been waging a campaign to bring out all who are qualified to vote and have brought out 2500 Eugene electors.
—Washington county held its first fair last week at Forest Grove. Following Polk county's lead the children's exhibits were prominent, and one day was especially given to them. As this fell on the opening day of the Panama canal, a pretty demonstration was given by the Hillsboro school. The children formed a hollow square to represent the locks in Panama and at the moment when the whistles blew for the opening, Uncle Sam stepped forward and commanded the locks to open. Out of the locks came a float representing the good ship Oregon, the first to pass through.
—The eighth annual meeting of the Washington County Indian War veterans was held at Hillsboro on October 14, the 57 anniversary of the organization of Company D, mounted volunteers. Only two of the four surviving members of the original 104 were there.
—The New York bill board commission has just decided that the billboard is unsightly, dangerous, unsanitary, and a shield for rubbish. Aside from this it seems to be unobjectionable.—Cleveland Plain Dealer.
—Hood River has just laid the corner stone of a new Carnegie library. She seems also to be trying to get up a recall election on some of her county officers.
—Woodburn claims to be the home of the loganberry. By the way, we should be glad to hear of some town in Oregon that is not the home of some product. Which only goes to prove what a wonderful state it is that exerts in so many and such diversified products.
—The secretary of the Oregon Development League, C. C. Chapman, requests the commercial clubs to observe November 18 as Apple Day. The hotels and stores are asked to decorate with apples, and above all every one is asked to eat as many raw and cooked in as many ways, as possible.
—Russian explorers have discovered a continent in the polar regions. Other explorers have believed such land there and last summer Canadian explorers went on an expedition to find it but it remained for the Russians to find and take possession in the name of the Czar, calling it Nicholas II land.
—Women by the hundreds are registering to vote in the November election. Apparently it is not the state measures that will call out such a large vote, but the local one as to whether the town will remain "wet" or go "dry" in the coming election.
—A life size diamond rattler was found smuggled up in a bunch of bananas in the warmth of a gas jet in Portland recently.
—Laurence Duke, son of the wealthy tobacco manufacturer, driving his auto while intoxicated, smashed into another machine. One man was killed and two others seriously injured. Young Duke who has plenty of money and nothing to do but spend it has been in trouble with the police before and will now have to stand trial for manslaughter.
—David Lloyd George, the British chancellor, in opening his campaign to free British land from the land-lordism, and get the people back to it, as he says, takes unusual precautions against those "wild women," the militant suffragettes. Barricades are erected, the local police re-enforced, and the fire brigade ready to use its hose should any attempt be made to rush the barricades.
—Governor Sulzer, of New York, whose impeachment and trial has occupied so much space in the papers, has been found guilty of filing false statements of campaign expenses. He is removed from office but not disqualified for holding office in future. Lieutenant Governor Glynn has assumed the office of governor.

TURK IS KILLED.
(Continued from Page One)
other men he thoughtlessly held the gun pointed in their direction, and while in this position it was accidentally discharged, the bullet striking George in the center of the right ear and passing out at the back of the head near the base of the brain. The foreman of the section, M. McCann, who was at Derry station when the accident occurred, was immediately notified and the wounded man was taken at once to Independence, where Dr. Butler, the Southern Pacific surgeon examined him and dressed his wound, then placed him on the afternoon train to be taken to Portland hospital. Soon after the train left McMinnville George expired and the body was turned over to the coroner of Washington county at Forest Grove. As the accident took place in Polk county, October 18, L. Chapman was notified.
Sunday morning Mr. Chapman accompanied by County Attorney Uglow went down to McCoy to investigate the affair. The evidence being conclusive that the shooting was accidental no inquest was necessary. Demolisher had been working on the section ever six weeks and was about 32 years of age. The remains will be interred at Forest Grove.

ZIMMERMAN MAY YET BE REWARDED

BILL INTRODUCED TO RECOMMEND POLK MAN.

After Fifty-Six Years Government May Make Amends For Blunder By Giving Man \$20,000.

After years of patient waiting George E. Zimmerman of Grande Ronde, one of Polk county's earliest pioneers will at last be partially repaid for a financial suffering as the result of a blunder by the United States government, should the bill which has been introduced in the United States senate by Senator Chamberlain pass. The bill provides for the payment to him of the sum of \$20,000 in recompense of a quarter section of land which was erroneously patented by another man.
Zimmerman filed on 160 acres under the Oregon donation act, and executed an affidavit to the effect that he lived on it from November 26, 1855 to November 23, 1859. He applied to have it surveyed. The interior department has reported that through an error the land was awarded to another person.
Those who lived in Polk county in the early days will remember Zimmerman as a man of high moral courage and despite the fact that he was always friendly to the Indians the report is to the effect that they filled his well, cut down his trees, occupied his buildings and in other ways transgressed his rights.
Aged Lady Passes.
Died at Monterey, California, October 14, 1913, Mrs. Jane E. Tusten, mother of Mrs. William Grant and Mrs. Viola Morton, aged 91 years.
Jane E. Kennedy, daughter of Ezekiel and Fannie Kennedy, was born in Hartford, Ohio county, Kentucky, September 24, 1822.
When quite small she moved with her parents to Louisville where she attended school and remained until 14 years of age, moving then to Missouri where she was married in 1838 to William Robertson. They emigrated to Oregon in 1852 where Mr. Robertson engaged in the flouring mill business for many years, and died at Springfield, Oregon, in 1874.
In 1882 Mrs. Robertson was married to Thomas R. Tusten and they moved to California in 1883 where they have since resided.
Mrs. Tusten was the mother of ten children and was a characteristic Oregon pioneer and was a life long member of the Christian church.
Besides her two daughters she leaves an aged husband to mourn her loss, Mr. Tusten himself being 92 years of age.
A meeting of the chorus of the Dallas Woman's club is called for Friday afternoon, at the auditorium of the High school building.

Annual Guild Tea.
The annual tea and exhibition of garments for the Needlework Guild will be held on Thursday afternoon October 30, from 2:30 until 5:00 o'clock at the home of Mrs. M. M. Ellis on Oak street. The officers and directors are busy preparing for the event and a larger and better collection than ever is expected. Tea will be served throughout the afternoon and everyone is invited to attend whether a member or not. Membership consists in giving a donation of money or two new garments a year to be used in caring for the poor of the community. Men, women and children are eligible for membership and as the organization is non-sectarian and the members do not have to pay dues or attend meetings it is the simplest and most direct of all charitable organizations.
Last year 650 garments were received and distributed during the year to local cases, every call being generously responded to. Besides the new garments, many second-hand articles have been handled at the same time and donations of partly worn garments in good repair will be gladly received though this does not constitute membership.

Nunn-Babcock.
Nehalem, Oct. 18.—One of the prettiest of the early October weddings took place Saturday at Manzanita Inn, when Bessie Marie, daughter of Mr. and Mrs. Corydon Babcock, of Astoria, and Gilman B. Nunn were married by Rev. J. Mont-calm Brown, only intimate friends and relatives of the young couple being present. The spacious reception room was decorated beautifully for the occasion. The bridal party stood before an improvised altar of palms, ferns and cactus dahlias. The bride was charming in a lovely gown of hand unbroided crepe meteor and carried a shower bouquet. After the ceremony a sumptuous wedding breakfast was served in the dining room, which was a bower of yellow ribbons and flowers. Miss Ruth Nunn, sister of the bridegroom, captured the bride's bouquet. Mrs. Nunn is a former resident of Lansing, Michigan, where she was popular in art and musical circles. Mr. Nunn is the son of Mr. and Mrs. J. B. Nunn, of Dallas, and is well known throughout the coast country, having been connected with the building of the railroad to Tillamook. Mr. and Mrs. Nunn will make their home at Manzanita Beach, where they will take charge of the Inn.

Baptists Attention.
On Friday evening of this week the Baptists of Dallas and vicinity will hold their annual roll call meeting at the church. The time of the evening will be taken up by an interesting program which has been prepared, by a general jollification and get together meeting followed by a fine fellowship supper prepared by the ladies of the church. All Baptists, their families and those without a church home are requested and urged to come and enjoy the evening.
—Meet me at the New Scott. 2-25if
