HOUSEKEEPERS Must be Watchful

For great efforts are being made in
this vicinity to sell baking powders of
inferior class, made from alum acids
and lime phosphates, both undesir-
able to those who require high-grade
cream of tartar baking powder to
make clean and healthful food.

The official Government
tests have shown Royal
Baking Powder to be a
pure, healthful, grape
cream of tartar baking
powder, of highest
strength, and care should
be taken to prevent the
substitution of any
other brand in its place.

Royal Baking Powder costs only a
fair price per pound, and is cheaper
and better at its price than any
other baking powder in the world.
