Quite a novel party was given by Miss Hammond to her young lady friends last Saturday night. Each one was asked to come dressed as a child and be prepared to do some child stunt. Judging from the hilarity it was a success.

The Falls City Lumber Co.'s planer plant, formerly owned by Watkins is being torned down and the rubbish hauled away, making a great improvement in that part of town.

An Epworth League tea was served at Mrs. Mae Wright's home Saturday afternoon from 3 o'clock to 5. The house was decorated with white chrisanthemums.

Evangelist M. L. Schooley is conducting revival meetings at the Free Methodist Church.

Fire broke out in the residence of J. J. Sammons Wednesday morning at half past three. The damage was not very great owing to the prompt action of the fire department.

MONMOUTH

The work on the new Normal gym, is progressing nicely and will be a fine building when completed.

Still the concrete walk building is going on, the walks on both sides of Main Street will be concrete the whole length soon.

The sick in town are convalescing. The Polan boys and father have finished digging potatoes, they have about 900 sacks. Mr. Polan went to Portland this week to visit his daughter.

That Corvallis hen certainly did not take much time to eat, or she would have laid so many eggs. I guess she knew eggs were going to be a good price.

The Christian Scientists held a meeting in the L. O. O. F. Hall every Sunday at 11 o'clock. Everybody invited.

Loren Walling is erecting a new store building on the John Walling property, near the hop house.
