##### BEAUTIFYING DALLAS

A very important and successful meeting of the Civic Improvement Department of the Women's Club was held at the home of Mrs. J. G. Van Orsdel, Tuesday afternoon, February 17th. Several topics pertaining to the beautifying of our city were discussed and excellent plans were suggested. Mrs. Hort. C. Eakin read an article on Rose Culture, which was interesting and instructive. Miss Lura Wilson of Salem sang a pretty solo, her accompanist was Miss Dorothy Bennett. Mrs. D. M. Metzger gave a talk on clean-up-day, and the plans of the club were outlined.

It is the desire of the club to obtain the co-operation of the city council, as it would be impossible for them to carry on this work and obtain satisfactory results without their assistance.

They propose to furnish grass seed free of charge to all who are willing to sow same and beautify their lawns. A lady who will be called a director, will be appointed in every block in the city, whose duty it will be to look after and report on the conditions that exist in her individual block.
