

DAVIS & HORN

The Reliable Home Furnishers

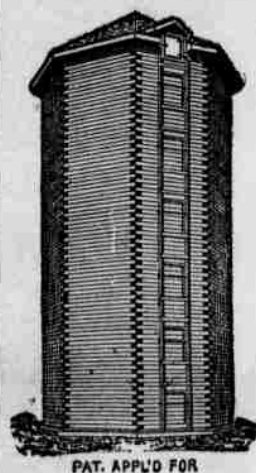

Do you really want a nice new extension table? If you do you sure can have one. Listen, we will sell you any of our elegant tables, and take your old one, and allow you the very most we can, and then you may have some other pieces of furniture you do not need and can turn them in also. Think it over, talk it over, look it over and we are sure you will be happy when we send it over.

YOU NEED A SILO

This theory does not have to be preached any longer to the Dairyman or the Stockman—The value of the SILO on the Farm has BEEN FULLY DEMONSTRATED.

WHAT KIND OF A SILO SHALL I BUILD?

Build one that is best suited to the local "Climatic Conditions"—that is simple in construction, gives the least trouble to maintain—above all that is AIR-TIGHT and that can be ADDED ON AS YOUR HERD INCREASES.

THE IMPROVED FARMERS' FRIEND SILO

Fills all of these requirements. It is the ideal Silo for this coast. A HOME PRODUCT manufactured by one of our HOME INDUSTRIES. Fill out and mail this coupon at once, it will bring you full information. Send us your lumber bills for an estimate.

Artisans Frolie.
Fun ran riot with the Artisans Monday evening, when the members of Dallas dressed in old fashioned school-day togs, and held a County School session and entertainment.

The program consisted of songs, recitations, and dialogues, and those taking part were dressed in their prettiest new bib and tucker and others did not forget patches, lous socks and stockings.

When dinner hour arrived, they all sat on the floor in a circle and amid jokes and laughter, ate their lunches as in the by-gone days.

Is Raising Alfalfa.
D. D. Peters, whose farm is 1½ miles east of Dallas, was in town Wednesday and said he had a fine stand of alfalfa on 2 acres of his place. He is very anxious that Polk
