

ROYAL BAKING POWDER

Is the Housewife's
Greatest Help.

WHAT so tempting to the
laggard appetite as a
light, flaky, fruit short cake or
a delicate hot biscuit?

Royal makes the perfect
short cake, biscuit and muffin,
and improves the flavor and
healthfulness of all risen flour-
foods.

It renders the biscuit, hot-
bread and short cake more di-
gestible and nutritious, at the
same time making them more
attractive and appetizing.

Royal Baking Powder is in-
dispensable for the preparation
all the year round of perfect
foods.
