Go to Church Next Sunday!**FISH ARE BITING**

In the spring time a young man's fancy turns toward love, and both old and young turns toward fishing. A slight attack of the spring fever, and you seem to feel the sensational thrill of the trout as he grabs the salmon egg that you so carefully adjusted on the hook, as a lure to that gamey fish and then just as you felt sure he was your meat and reached to take the spotted beauty from the hook the line broke and away went Mr. Trout. No, you did not say D—, you were just mad that's all. Here is a little advice, when the fever strikes you, go to Guy Bros. hardware store and call for Newt, and have him assist you in picking out the proper kind of tackle. He is known as an expert on the trout fishing game this is why he purchased so large a line of fishing tackle. From the smallest hook that is made, he has in stock the most complete line of poles, reels, lines, creels, landing nets, in fact you can find at Guy Bros., a line that is equal to any carried in a large city, and the prices are far below those charged by the mailing houses, quality of goods considered. Take no chances of your line or hook breaking and tell when you arrive home that you had a whooper, but it broke the line and got away. Buy good tackle and you can bring the proof home and have something to crow over.

STOP CATARRH!**Use Hyomei—You Breathe It.**

Unless properly treated this disease often leads to a serious if not fatal ailment. It is needless to allow catarrh to ruin your health—use Hyomei—it is certainly effective relief for catarrh ills. It's the direct-to-the-spot treatment. You breathe it—no stomach dosing. No household should be without Hyomei. It not only gives quick and lasting benefit in cases of catarrh but is one of the surest and most pleasant treatments for head colds, sniffles, or croup of children.

Hyomei is a combination of antiseptic oils—a you breathe it—using a small inhaler. The air laden with health-restoring Hyomei sothes, heals and vitalizes the sore, raw inflamed membrane of the breathing organs almost immediately. There is no other remedy that benefits so surely or so quickly. Money refunded by Conrad Stafrin if you are not satisfied.

Do not be without Hyomei another day. Druggists everywhere sell it. Get the complete outfit—\$1.00 size—this contains the inhaler and bottle of liquid.

An Interesting Book.

Jessie Applegate, a well-known pioneer of Polk County has written the story of the early settlers:

This book should be kindly received by Polk County people as much of it is devoted to the first settling of Polk County.

You may learn from it the first settlers that came out west from the states, and planted a little colony here, provided themselves with the necessities of life and managed to pacify and tame the wild Komman, the native.

And something of Laereole, the Cleopatra of the Northwest Coast, who entertained in the palace of the great chief in the old Komman town, which was sometime builded in the bend of the river where Dallas now stands.

You will learn who the people were that journeyed west from the land of the Rising Sun, and following the orb of day, came to the land of the Setting Sun where the prophets of God had said the young empire of the West should be born.

You will get a peep into the log cabin days and see how the pioneers lived. "In the Days of Old," "The Days of Gold," "The Days of Forty-nine."

The book contains 100 pages of interesting data.

Write to Mrs. H. H. Sargeant, 810 Oakdale Avenue, Medford, Oregon, for a copy.
