ENDORSED AT HOME.

Such Proof as This Should Convince Any Dallas Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Dallas adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Mrs. Mary E. Gibson, 614 Church street, Dallas, Oregon, says: "I have used Doan's Kidney Pills and they have been taken by others in our family. We think they are the best kidney remedy to be had. Doan's Kidney Pills act quickly on the system ridding one of pain in a short time. They also strengthened and regulated the action of the kidneys." Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gibson had. Foster-Milburn Co., Props., Buffalo, N. Y.
