

There are many pretty dairy scenes in Polk county, where dairying is fast becoming quite an important industry, but the one herewith presented is hard to beat. It was taken on the ranch of Mr. Frank Laughary, on the Luckiamute, and shows some of his fine Jersey heifers and young cows, of which he possesses an enviable herd. The picture was taken by a representative of The Rural Spirit, and is it through the courtesy of that publication that The Observer is permitted to reproduce it today. And, incidentally, The Rural Spirit is paying no inconsiderable attention to Polk county stock, each issue containing some mention of breeds and breeders in this banner county. It is doing much good toward the betterment of stock conditions, its articles advocating the introduction of full-blooded herds and droves.

And in this work The Observer also wants to be useful, and requests that breeders throughout the county give us information from time to time concerning their progress along this line of endeavor. Already several farmers have sent us stock "stories," but we want them to cover a much wider scope.

A Torpid Liver is a fine field for the Malarial Germ and it thrives wonderfully. The certain result in such cases is a spell of Chills.

HERBINE

Is a Powerful Chills Tonic and Liver Regulator.

It puts the liver in healthy, vigorous condition and cures the chills by destroying the disease germs which infest the system. Herbine is a fine anti-periodic medicine, more effective than the syrupy mixtures that sicken the stomach; because it not only kills the disease germs, but acts effectively in the liver, stomach and bowels, thus putting the system in condition to successfully resist the usual third or seventh day return of the chill. Herbine is a cleansing and invigorating medicine for the whole body.

Price 50c per Bottle.

The Power behind the dough

You may use an old favorite recipe and the best of materials and make it carefully, the oven may be just right, yet you will have a failure if "The Power behind the Dough" is not the right one to leaven it properly and make it light, digestible, wholesome.

Good baking without good baking powder is out of the question. K.C. Baking Powder has wonderful leavening power, and the double action—in the bowl and in the oven—makes good results doubly certain.

Take no chances of failure—use K.C. and have "good luck" every time. At all Grocers.
