Try McDonald's chocolates at Fuller's Pharmacy. Always fresh. GOOD FARMING—GOOD LIVING. Epigrams From Head of Uncle Sam's Farm Department. A prosperous, intelligent, and contented rural population is essential to our national perpetuity. It is impossible to impress upon anyone that there is dignity in residing upon a farm with impoverished soil, dilapidated buildings, and an environment of ignorance. The income of the farm can be increased from three to five fold by the use of improved methods. More power and less hand work. The world's most important school is the home and small farm. The basis of the better rural life is greater earning capacity of the farmer. Demonstration work may be regarded as a system of adult education given to the farmer upon his farm by means of object lessons in the soil, prepared under his observation and generally by his own hand. Agriculture in most sections consists simply in a series of motions inherited from Adam. These mechanic farmers now reside in a town or city, live out of a canned garden, and milk a tin cow. The least worthy monument to a man is a granite block or a marble shaft. They represent the dead man's money and the kindness of friends. The true monument is what the man has accomplished in life. It may be a better gate, or house, or farm, or factory; put his name on it and let it stand for him. Receipts for Last Week. Receipts at Portland last week were: Cattle, 555; calves, 16; hogs, 1680; sheep, 4030. Cattle—Light receipts of cattle for the week, with good demand, prices being fully 25c. higher on all grades. Top on steers \$7.25 to \$7.30; cows and heifers of best quality moving at \$6.00. Hogs—Swine run also light, outlet broad and demand urgent, \$8.75 was top first half of the week, but price rapidly climbing to the 9c. level, as two loads sold Friday at \$8.90. The Outlook is Bright. Lebanon Criterion: "It has been several years since the republicans of the first district of Oregon have had as good a trio of leaders in their political campaigns as is the case this year. Dr. Withycombe for governor; F. A. Booth for U. S. senator, and

W. C. Hawley for member of congress is a showing of strength that is seldom made in one campaign. It has so strongly appealed to the democrats that they are leaving no stone unturned to lessen the influence of the big three wherever the opportunity comes to them and they are not particular in their mode of attack. There is one thing sure that is the republicans of Oregon are in better shape for their campaign this year than for several years past, and there is little prospect for the democrats to work in their usual stunt of party division. Our leaders are all good sound men and the party is marching strongly united behind them. In Oregon that means victory."

Queer Things That Turn Up In the News

Judge Nathaniel Hobbs, aged ninety, of York, Me., has returned from his twenty-third annual fishing trip. Bigamist in Arkansas convicted of having sixteen wives got seven and a half months in prison for each wife. Saloon keepers in Boston are forbidden by the license board to give bottle openers, shoe horns, corkscrews or calendars to customers. The toothless shoe for afternoon and evening wear and to be worn with or without stockings is the latest novelty for women to appear in the London shops. Lewis McDonald of Portland, Me., possesses a lobster whose smallest claw is shaped exactly like an elk's antlers, and one part of the antler is shaped exactly like a woman's foot. THE PRAISE CONTINUES. Everywhere We Hear Good Reports of Doan's Kidney Pills. Dallas is no exception. Every section of the U. S. resounds with praise of Doan's Kidney Pills. Thirty thousand persons are giving testimony in their home newspapers. The sincerity of these witnesses, the fact that they live so near, is the best proof of the merit of Doan's. Here's a Dallas case. Mrs. C. E. Graves, 121 Washington street, Dallas, Oregon, says: "Kidney trouble and rheumatism came on me and I gradually grew worse, until I could hardly endure the suffering. Dull pains settled in my back and across my kidneys. I had sharp, shooting twinges all through my body. I tried a great deal of medicine but nothing gave me much relief until I began using Doan's Kidney Pills. They helped me from the first and soon had me feeling like a different woman. Doan's Kidney Pills have benefited me in every way. They have improved my appetite and my weight has increased." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Graves had. Foster-Milburn Co., Props., Buffalo, N. Y.

As an illustration of the veneration with which the Argyll family was regarded in Roseneath parish years ago Principal Storey, then minister of the parish, used to relate that one of his parishioners in detailing to the duke's factor some grievances he had sustained from a neighbor added, "And, mair than that, he had the impudence tae strike me in the presence o' his grace's horse."—Westminster Gazette.
