THE FALL STYLE PARADE IS NOW ON

Our Fall Display of Men's and Boys' Wearables is now ready for your inspection. In every department we are showing all the new ideas that fashion has decreed. Every line that is featured is made by one of America's Standard makers, thereby assuring the purchaser absolute satisfaction, or money refunded. We do not sell anything that does not bear the manufacturer's label, which assures you that skilled labor was used in manufacturing instead of the "sweat shop" product that is being sold in a great many stores of today. Read below:

THE NEWEST CREATIONS IN THE CELEBRATED HART, SCHAFFNER & MARX CLOTHES, SOLD IN THE LEADING STORES OF EVERY COMMUNITY IN THE UNITED STATES OF 1500 POPULATION AND OVER. THERE'S A REASON WHY THESE CLOTHES ARE SO POPULAR.
