To be just enough to acknowledge the rights of others, even when they conflict with our own.

To become so well organized that we can obtain our rights, if others fail to grant them.

To grow a class of men and women that will be as noted for their excellence of character as our fruit is noted for its beauty.

To make our homes places of health, happiness and love.

"There's a Reason"

ERE is the common sense way a put it up to one of his friends:—
"When it comes to tobacco satisfaction, that's got to be in the tobacco in the beginning. Molasses and licorice won't put it there. W-B CUT is rich tobacco and chock

full of real tobacco satisfaction—excess sweetening has no charm for you once you know quality tobacco. And remember the other points—less grinding and spitting, and half-sized chews."
