To the Voters of Polk County. Feeling that some may not know that I have returned from the trip to the border as a member of Company L of Dallas and also that some may have been misinformed as to my being a candidate for the office of County Surveyor for which I received the Republican nomination at the Primary Election, I wish to say I am still in the race and with the limited time before the election November 7th, will conduct the same straight-forward campaign as I did for the Primary Election. While it will be impossible for me to see each individual and discuss the problems in which we are interested in our county I can assure you that your support will be sincerely appreciated. Respectfully, HOMER A. ROBB. (Paid Advertisement)
