The November issue of our magazine will be delayed until after the November election because of the large number of manuscripts that we have to process during this period. We are unable to print any more copies of the magazine than we have already committed to print. Therefore, we will have to wait until after the election to publish the November issue.

We apologize for any inconvenience this may cause. We are working as hard as we can to get the magazine out on time, but we cannot print any more copies than we have already committed to print. If you have any questions or concerns, please feel free to contact us. We appreciate your understanding.
