Miss Florence Bowden has been substituting for Mrs. Babbitt in her drawing during the latter's absence the past week.

Miss Maybelle Ross '08 is teaching in Sheridan. She is enjoying her work very much and reports excellent progress.

Miss Spencer spent several days last week with her mother who met her in Portland. Miss Spencer's home is in Antelope, Oregon.

Mrs. LaLonde was the guest of her daughter, Miss Adele LaLonde last week. Mrs. LaLonde lives in Vancouver Washington, and is quite favorably impressed with our quiet little Oregon village.

On Thursday afternoon there was no school in the Training Department, the holiday being given on account of its being the day for presidential election. The college also was given a vacation at the same time; this being authorized by President Resler as the result of a student petition.

A basket ball game was played between the town team and the college team on last Saturday evening. The line-up was: Town team—Alva Craven, Cletus Butler, Frank Butler, Ed Lawrence and Ernest Riddell. O. S. N. S. team—Ervin Springer, Darrell Stump, Ray Chute, Edgar Sacre and Albert Sacre. Unfortunately for the College team, the town team outweighed it two to one. The score was 47 to 25 in favor of the town boys.

Harry Stine who is attending the U. of O. this year, has met with a painful and serious accident. His collar bone was broken while playing in the football game between the Freshmen team of the University and Chemawa team on Saturday Oct. 23. Although compelled to discontinue his studies for a short time he will not return to his home on account of the accident. His old friends extend sympathy and wish him a speedy recovery.

Prof. L. A. Robinson has been elected a member of the Moseley Commission which goes to England to visit schools there and report on them. This commission is composed of teachers from all parts of the United States. The commission leaves New York on November 25, on the steamer Teutonic for South Hampton and returning will sail on the steamer Majestic December 23. This is an honor much desired among teachers and the Professor is to be congratulated on his success. All his old friends of the Normal and Monmouth in general are glad to learn of his selection.

On Thursday Oct. 29, Dr. Geo. Gilbert Bancroft, assisted by D.

Lillian Lewis gave the first "evening" in the Citizens Entertainment Course held during the winter. Dr. Bancroft gave a lecture entitled "How, When and Whom to Love." The drift of the lecture was humorous but the underlying thought was that of good advice for both parent and young people. Miss Lewis gave a reading and also rendered a vocal solo which pleased her audience very much. This is Dr. Bancroft's second appearance in our village and we shall certainly be delighted to see him come again.

### LITERARY SOCIETY NOTES

On Friday evening October 30, the gymnasium was the scene of much "merry making." The occasion was celebrating in a joyful way the mystic night of Hallowe'en. The three literary societies were present as a body, the Vespertines and Normals being the guests of the Delphians.

The decorations were simple but attractive and very suggestive. Jack o'lanterns were much in evidence and both their smiling and bewitching faces proclaimed that on one night of the year at least, they, "are monarchs of all they survey" for they peeped from every crook and cranny of the spacious room.

At either end of the room were canopies of evergreens which hung in graceful festoons. The larger one of the two which was at the west end of the room formed a bower from under which refreshments were served.

An excellent program was rendered at 8:30. It was:

Opening Address Mary Whitney

Pres. Delphian Society

Response Effie May Galbreath.

Pres. Vespertine Society

Response D. C. Henry, Pres.

Normal Society

Vocal Duet with guitar accompaniment Mrs. Strong and

Archie McNeil

Quartet Ruth Fugate, Mary Mur-

phy, D. C. Henry, Geo.

Grounds

Address Mr. Briggs

All the numbers on the program were heartily applauded those who rendered the musical numbers being forced to respond to double encores.

After the program, the time was passed pleasantly away in games which were partaken in and enjoyed by all. The most attractive bit of amusement however was that furnished by the gypsy fortune teller. This booth was presided over by Miss Lillian Anderson who greatly impressed her listeners by telling of the good things in store for them, as revealed to her by the goblins. Miss Anderson wore costume for the occasion and made a charming little "gypsy."

Among the evergreen decorations were hidden innumerable "animals cookies." At an appointed time the signals for beginning and closing the hunt were given. During the three minute hunting period all looked eagerly for the much coveted animals. As a result of the efforts expended, prizes were given for the most successful and the most unsuccessful hunter; the prizes

One of the oldest voters in the state, if not the very oldest, is Uncle Ira Butler of this place. He has passed the three score years and ten by more than a quarter of a century and was able to get down to the polling place Tuesday. How many other voters in the United States 96 years of age?

## OUR ENTERTAINMENT COURSE

### The First Number a Decided Success

### A LARGE AUDIENCE GREETED LECTURER

### A Good Sale of Season Tickets Is Reported By the Canvassing Board.

The first number of the Third Annual Citizens' Entertainment Course was given Thursday night, October 29, in the Normal Assembly Hall. An audience of about 200 was in attendance and general satisfaction with the entertainment was expressed.

The Committee reports a sale of 72 adult season tickets and 79 student and children tickets. Total receipts were \$180.30, of which \$12.80 represent sale of single admissions. Payment for 16 season tickets has not been reported to the treasurer, some of which is probably in the hands of the Committee and some still unpaid. It will confer a favor on the committee if all who have not paid for their season ticket will kindly pay either the treasurer Ira C. Powell, at the Bank, or the Acorn Bookstore.

The next number of the Course will be an extra attraction, secured at a special price so that the committee feels authorized to say that the original course of five numbers will be increased to six. This extra number will be given next Tuesday evening, November 10, at 8:15 p. m. by Otto F. L. Herse, Tenor, assisted by Frank A. White, Pianist. A varied program of classical and popular selections will be offered by these talented musicians, who come highly recommended.

This will offer another opportunity to all who failed to secure season tickets before the first number, since there will still be five entertainments in the regular course, with whatever extras the receipts justify. All who desire season tickets may secure them at the Acorn Bookstore at the following prices: Adults \$1.50, children and students \$1.

The committee hopes to secure another regular number early in December.
