The Oregon City Transportation Co., has cut the fare from Portland to Salem from \$1.00 to 50 cents and from Portland to Independence from \$1.50 to 75 cents. If one is not in a hurry to go to the city and back the same day this is getting transportation for about what it is worth. When the government owns the locks and they are made free to everybody the fare will be down to 50 cents from Independence, from the fact that there will be a number of small boats put on that cannot make expenses as it now is.

We have made arrangements

with the Pacific Monthly whereby we are able to offer that excellent magazine and the Herald for less money than you can get and any other paper in this county. We will club both papers for \$1.75. You would have to pay \$1.50 for the Monthly alone thus you get the Herald for practically 25 cents. This offer will only last a short time. During this time we accept ballots in the voting contest, which has been postponed until Christmas on account of the small number of ballots being taken out.

#### Independence Public School

Mrs. Armstrong was unable to be in school last Friday morning, so the seventh grade had a half holiday.

Several large boxes of supplies were sent by the pupils of our school to the Boys and Girls Aid Society, this week.

The teachers have formed a study club, following the work outlined by the Correspondence Course of the University of Oregon.

Five children from the same family in one grade and no twine is a new record, but not a desirable one. These children have not had a chance to attend school and all entered the first grade.

Three brothers named Towler entered school Monday, one in the second grade, one in the sixth, and one in the seventh. The Towler's lived here a few months about two years ago, but moved to California. They liked the country around here and when they heard the county had gone dry, decided to return to Independence.

The Students ball at the gymnasium last Saturday night was

a decided success and everybody reports having had a good time.

Music was furnished by the Independence orchestra. Our local reporter says he hopes to be able to participate in many more of the same kind of functions.

The committee having charge of the ball was Erwin Montague, Archie McNeil and George Ground. The foot-ball team of the Albany High School was present and enjoyed themselves very much.

On board ships of many different nations orders are now given in the English or American language. Every vessel that sails from a foreign port must have a captain who can talk American. A ship which called at Redondo Beach had a German captain and a Chinese crew. "How do you give your commands?" he was asked. "In English, of course," he replied. "It is the language of the seas." — Los Angeles Herald.
