School Officers Convention

The School Officers Convention will be held in Dallas, at the Court House at 10 a.m. on Saturday, December 5th, 1908.

The list of subjects which have been suggested by the different school officers is given below. These will be taken up and discussed in an informal manner, as there is no set program.

The chairman of each board or some member whom he may appoint will receive \$2 as compensation for attending the convention and we hope that every district will be represented.

The chairmen of several school boards have informed us that their boards would attend in a body and would use the \$2 for expenses for lunch, etc.

State Superintendent J. H. Ackerman will be present and will aid in the discussions in whatever way you may wish, also several other prominent educators will be present.

As you know this is the year the legislature meets and since there are several changes which may be made in the school laws and as the School Officers' Conventions of the county have in the past passed resolutions which have had some effect upon legislation, it is desired that you attend and take part in the discussion of any subject in which you may be interested and lend your aid in bettering the school condition of the county and state.

Since there is a big days work before the convention come early and invite your teacher or teachers, your neighbors and friends, to attend and assist in the convention in any manner they may see fit.

Remember the date, Saturday December 5th, 1908.

Yours for a successful convention.

C. L. Hawley, President.
H. C. Seymour, Secretary.
