Miss Carmen Swanson, of Shedd's, a sister of Mrs. Dr. Parrish, has become a seeker after the beauties of the art preservative, and is now handling a "stick" in the Herald office.

Miss Nora Sorensen, '07 who is teaching in Corvallis was a visitor in the Training Department the first of the week. Miss Sorensen has a third grade position and reports her work intensely interesting. As she is a progressive teacher she took advantage of a short vacation to get suggestions in the old Normal. Needless to say her old friends were glad to see her.

The new bakery was opened for business Tuesday morning. It is one of the finest buildings in Polk county and is equipped with up-to-date furnishings. Some of the heavy machinery has not yet arrived, but is expected in a few days. When it is installed this bakery will be as well equipped for the manufacture of bread and all other products of a firstclass bakery, as any in the state.

Mr. A. L. Chute and bride, who returned from their "honeymoon" tour Wednesday, were given an old-fashioned "shivaree" by their friends on Wednesday evening. The bride and groom, not to be out done by their friends, invited the "shivaree-rs" in, and there was a "treat" for all. Mr. and Mrs. Chute will be at home to their friends after Dec. 3rd, at Mr. Chute's suburban home in east Monmouth.

Miss Grace Whitehouse, of the Training Department, went home for Thanksgiving and reports a very hard trip, but a very pleasant time. She went to North Yamhill by train and from there by stage to the end of the winter stage line and thence by horseback to her parents home in Tillamook. At this season of the year the stages do not run through on account of the heavy roads.

The Social Hour Club met on December second at Mrs. Bowden's. Twenty-two members were present. The President called the club to order.
