### Telephone Improvement.

Arrangements are being completed whereby the Pacific Telephone Co., will have a modern home in this city in a short time. A suitable building will be rented if one can be had, or if not, then a lot will be purchased and a building erected and equipped in modern style for the handling of the business in an up-to-date manner. A waiting room and booth will be installed and an operators room fitted up for ease of operation and comfort of the operator. The manager and operator will be placed on a flat salary. These and other minor points in the business are to be made as modern as any on the line between Portland and San Francisco. This indicates that the business done here by the company has been satisfactory and is due largely to the good work of the local manager, P. E. Chase. The Pacific people are to be commended for their business sagacity in maintaining a central here in Monmouth, for it gives them the first place in obtaining business. It is only a question of a few years when Monmouth
