

### Buena Vista.

Jim and Hugh Kiger entered school at Buena Vista Monday.

School opened again this week after a vacation of one week on account of the storm.

Mr. Black will move his family to town soon so the children will be nearer the school.

It is reported that the town is to have a meat market, the proprietors being Messrs. Black and Wells.

Mr. and Mrs. Carpenter, of Idaho, are visiting with their daughter, Mrs. Ralph Hall, of this place.

Mr. Donaldson has moved into the house formerly occupied by Mr. Winn, and Mr. Winn has moved into Mr. Neal's house.

The heavy rise of the Willamette has caused several families from the lower land on the other side to seek higher ground in Buena Vista.

Mrs. Belshe, of Monmouth, is here, being called to the bedside of her daughter Miss Ida Belshe, who has a very severe attack of La Grippe.

On account of illness, Miss Belshe was unable to take charge of the primary room for a short time and the vacancy is being filled by Miss O'Connell, of Lincoln, Nebraska.

Rev. Launer preached in the Evangelical church last Sunday morning and also in the evening. He announces that if the weather permits he will begin a series of meetings in two weeks.

Mr. Donaldson has purchased property in town and it is understood he will erect a large store building for his grocery business. This will be a great addition to the place and we wish for him much success.

### Crowley.

We are receiving our mail once a day again.

Welcome to the rain! We would rather boat ride than skate.

The Etna school will not begin until next Monday on account of high water.

Mr. Sears, of McCoy, says it got as low as 14 degrees below zero at his place.

The heirs of the Crowley estate have received their abstracts and that business is finally settled.

Mr. and Mrs. T. J. Pettit, of Monmouth, have been visiting their daughter, Mrs. Clay Taylor.

There have been a good many apples and quite a few potatoes frozen at different places through the neighborhood.

Mr. Monroe Miller, of Dallas, died at his home Monday morning, January 18. Interment was had at the Dallas cemetery January 19. Mr. Miller was an old pioneer resident of our neighborhood. He leaves many friends and relatives to mourn his death.

Word was received here yesterday of the death of Uncle Ira Butler, of Monmouth. Uncle Ira leaves many friends in this neighborhood. He was a very prominent man in his time here and one will find his name on all important documents of an early date.

### Buena Vista.

J. F. Sommer, of Scio, was in our burg last week.

Clyde Williamson has been on the sick list, but is almost recovered.

Jim Prather is in Portland on account of the illness of some relative there.

C. W. Bowers was here a few days last week in the interest of the Imported Horse Co., of J. Couch & Son.

Miss Belshe is quite sick and it is not likely that she will be able to take charge of her room in school for several weeks.

A protracted meeting has been announced for the Evangelical church, to begin Sunday evening. Rev. Launer will conduct the meetings.

Miss Minnie Knighten came up from Salem last Thursday and visited with her parents, returning to Salem Monday on the Pomona.

### Anti Tobacco League Formed.

The boys of the Training Department have formed an anti-tobacco league. Every boy in the school is a member and the interest and co-operation of parents and others is solicited. Life is becoming too strenuous, for any boy whose body and mind have been weakened by narcotics, to have any hope of success.

It is the duty of any citizen who sees minors using tobacco to report to parents or teachers. We want to make the Monmouth school a model and likewise our town to be admired and imitated throughout the state.

For the benefit of those concerned, the statutes on the sale and use of tobacco are printed.

From Bellinger and Cotton's Code, Chapter VIII.

P1980. It shall be unlawful to sell, barter, trade, give or in any manner furnish to any minor under the age of eighteen years, any tobacco, cigars, or cigarettes in any form, or any compound in which tobacco forms a component part, without the written consent or order of such minor's parent or guardian; and when such minor has no parent or guardian, then in that case consent may be given by the county court, sitting for the transaction of county business upon proper application in the court in which said minor may have his residence. Any person violating the provisions of this act shall, upon conviction, be fined in any sum not less than five dollars nor more than fifty dollars.

P1981. It shall be unlawful for any minor under the age of eighteen years to smoke or in any way use any cigar, cigarette, or tobacco in any form whatsoever in any public highway, street, place, square, or resort. Any minor violating the provisions of this act shall, upon conviction, be fined in any sum not less than one and not more than ten dollars, or by imprisonment at option of the court, two days for each offence.

### The Very Thing

The old gentleman poked his nose in and out of the mysterious corners of the furniture shop.

"By the way," he said suddenly, "my daughter has just started to—er—have a young man come calling, and I suppose I really ought to get a pretty sofa for them to make love on."

"Most certainly, sir!" responded the suave shopman. "And here, I think, I have the very thing you need. It is called 'Cupid's Retreat' and is specially suited for courting couples."

"Specially suited?" repeated the old gentleman. "Well, what is its particular good point?"

"Why, sir, the particular good point is this—the pretty covering you see before you is guaranteed to wear off in just one year."

"And what on earth's the use of that?" asked the old gent.

"Why, sir, because it leaves displayed a card upon which are written the words, 'Time to get married!' Neat, isn't it?"—London Answers.
