

O. S. N. S. Wins Game.

The Monmouth girls won from the Salem girls Friday night on the home court by the score of 22 to 7. It was considered by the large crowd that attended the game to be the fastest and cleanest game from faults that has been played on the home court for several years. The Salem girls played a good hard game but the speed and accurate handling of the ball by the Monmouth team and trick plays kept Salem guessing. A nice reception was given the visiting team which was enjoyed by all invited.

On February 6 the Monmouth girls will play the Astoria team at that place, leaving here on Friday afternoon returning Sunday evening. Miss Burt and Miss Hixon secured four field baskets apiece at forwards. Miss Laura Craven secured one from the guard position. The team also secured four points on fouls.

Miss Hazel Donahue played the center position and Miss Hazel Kuykendall the other guard.

For the Boys and Girls.

Do you love your teacher? If you do you now have a chance to give her a vacation next summer and at the same time one of the pleasantest trips imaginable—a trip to the World's Fair at Seattle. In connection with our contest we are going to send the most popular school teacher in Polk county for a weeks vacation and pleasure trip to the Alaska-Yukon-Pacific Exposition. If you want your teacher to go write to the Herald for full particulars.

A Correction.

By request of some of the members of the Senior class and in my opinion a correction is due the Senior class for an article published in last week's Herald concerning the Freshmen Banquet. Not only is this due the Senior class, but the Freshmen class as well.

The Senior class was not invited to this banquet. It was entirely an individual matter by which a few Seniors and alumni were invited at a late hour by a few Freshmen to this "feed." These facts I have from the president of the Freshmen class.

It was quite an informal affair and no one should feel slighted who was not invited.

D. C. Henry,
Pres. '09 class.

Independence Cannery

The directors of the Independence Cannery held a meeting Tuesday at the Independence National Bank which was a very encouraging one for the stockholders. The late litigation has been settled and there is but a small indebtedness now outstanding, which will be wiped out in a few days. The directors are negotiating with parties now to lease the cannery and there is every indication that it will be operated the coming season. The company has a fine building and good equipment and is in every way prepared to handle a large amount of business. The editor of this paper has a sort of fatherly interest in the cannery, from the fact that he was largely instrumental in getting it started while editing the Enterprise. We believe in boosting our sister town as well as at home, for it all helps to bring people into our county and the more here the more business will everybody have. However we believe that Monmouth is just a little the best of the whole bunch of towns in the county.

Just received direct from Chicago 14000 letterheads at the Herald job office.

TO OUR MANY FRIENDS

We desire to thank you for your generous patronage during the past year and assure you we will endeavor to merit a continuance of the same. We think you will be pleased to learn that we have decided to *Increase our Stock*. In fact have already received *part* of our *New Goods* and have other large shipments on the way. These goods were bought from Eastern Manufacturers at *Lowest Spot Cash Prices* and we will be in a position to serve you better than ever.

**Moore's Cash Store
Independence
Oregon**

A fortunate purchase makes this price possible.
