The Herald is in receipt of an invitation to attend the Fiftieth Anniversary of the admission of Oregon into the Union, to be held in the Capitol Monday, February 12. Life has been strenuous for the Herald force lately. We have been turning out job work to beat the band besides getting out the Herald and The Courier. We have turned out a large amount of work for local people and have orders from Independence, Tacoma and other outside points to fill, besides turning out jobs from Payette, Idaho, Camas, Wash. and Carlton. We do our work as well as the best and our rates are less, while at the same time we are using much better stock than some of our competitors. Compare our work and price with others and you'll give us the job.
