Summer School.

From the number of applications received for the summer school at Monmouth, there is every reason to believe that there will be more than 200 students in attendance this summer. The school will open on June 28 and last six weeks. Mr. L. R. Traver has special charge of enrolling students and finding board and rooms for all who attend. It is very necessary that these students shall find suitable accommodations while in Monmouth.

All persons who have board, rooms or board with rooms are requested to send the name, number of persons to be accommodated, and full particulars to Mr. Traver at once. Mr. Traver will list these rooms and see that students find the location desired. A number of students will wish to rent rooms for light housekeeping. A number of applications have already been received.

Last summer, the accommodations were crowded; this summer there will be more students in attendance.
