### Clothes to Exact Measurements.

**YOU** cannot possibly secure clothes that are just right unless you have them made to your exact measurements. No two individuals are built exactly the same. It takes good tailors to make good clothes, that being the principle on which the great organization of

**Strauss Brothers'**  
National Tailoring Service

is based. Recruiting the best designing and tailoring talent from every part of the United States and giving them the most modern working facilities enables Strauss Brothers through our agency to bring right home to you the opportunity of securing the highest standard clothes made to your order at prices easily within your reach.

You'll be quickly convinced of this by calling at our store to see the semi-life size fashion plates and the great assortment of five hundred high grade Spring and Summer fabrics.
