Dames Minnie Townsend and Ollie Alcorn, Dick Rodgers and wife, Nina and John Logan and Harold Burns.

### Card of Thanks.

The undersigned, wish to express, through the Monmouth Herald their thanks to their many friends and neighbors, who so kindly came to their aid, during the long illness, and funeral obsequies of their lamented mother, assuring them that their sympathy and kindness is appreciated and will be remembered with gratefulness.

Respectfully,  
WOLVERTON BROS

Lebanon is taking on new life and bids fair to be a busy town in the near future. Dirt is to fly at the Crabtree end of the cut-off, a railroad bridge to be constructed across the Santiam, work to commence this week, and construction work is going on at the Waterloo dam site.

O. A. Wolverton, our obliging postmaster had business that called him to the Columbia River section above Portland this week.

Seeding time is coming and the farmer must prepare. J. E. Winegar & Co. can fit you out. They have stocked up to accommodate your wants. Notice change of adv. and give them a call.

## REGULAR PORTLAND LETTER

### Display Oregon Apples At Spokane Show

### FARMING DEMONSTRATION TRAIN TO RUN One Hundred Dollars Offered For Best Bushel Oregon Grown Wheat

Portland, Or., Sept., 28: "Oregon apples will be well represented at the Second National Apple Show at Spokane November 15-20," said Rev. H. Rice, manager of the apple show, who was in Portland during the past week. "While the crop is generally much smaller than last year, the quality is of the very best and growers in all parts of the state are showing the keenest interest in the various contests. While the first apple show was an unexpected success, we have assurances that the second exposition will be even more so, as the growers want a chance to exhibit their choice apples in comparison with fruit from other states and the prize list gives an opportunity for every apple raiser to compete. The contests include carloads, ten boxes, five boxes, single boxes, barrels, jars and plates with cash premiums ranging from \$1000 sweepstakes in the carload classes down to \$3 for a single plate of five apples."

"All the railroads have united in giving a rate of one-and-one-third fare for the round trip to Spokane during apple show week and also allow visitors to go by one line and return via another.

The National Apple Show dates give growers an opportunity to exhibit at local county fairs and apple shows such as those at Albany and Hood River and then have plenty of time to ship to Spokane and win additional honors and premiums.

I have been in many of the fruit growing districts of Washington and Oregon and in nearly all sections the report is the same—a small crop of fine quality.

A farming demonstration train will be run by the O. R. & N. Co. through Sherman, Gilliam and Morrow counties in October that is expected to aid the farmers of that section of the state in the more intelligent cultivation of the soil and in improved farming methods. Lectures will be delivered by agricultural college experts, who will be on the train and demonstrations of farming practice will be made. Dr. James Withycombe, director of the Oregon Experiment Station, will be at the head of the party of lecturers and the train will really be an agricultural college on wheels.

That the passenger train service on the O. R. & N. between Portland and Huntington has increased 150 per cent. in the last six months is the statement of General Manager O'Brien. This shows the remarkable gain in passenger travel throughout the Pacific Northwest. From two trains daily each way between the two points named six months ago, the railroad company has found it necessary to increase the

number of five daily in each direction. Much of this added travel is of course due to the A. Y. P. fair but a large part of it is attributed to the increase of population in this state and the influx of new settlers.

One hundred dollars is offered by Phillip S. Bates, secretary of the Oregon Threshers' Association, for the best bushel of wheat grown in Oregon. An additional \$100 will be divided as secondary prizes. All exhibits should be shipped to The Dalles, Saturday, November 27, where the entries will be judged and prizes awarded. The contest will make a wheat show that will be held in connection with annual convention of the Oregon Threshers' Association, December 2 and 3 at The Dalles. There is no entry fee and all entries should be sent forward in standard two-bushel grain sacks, with the grower's name attached and stating where the grain was grown.

Mr. J. F. Powell left last Friday for a two week's stay at the Boswell Springs, near Drain.

Prunes are coming to the drier at a lively rate the last few days.

Mr. A. Lewis and wife, of Nome, Alaska, were visiting in this city Tuesday. Mrs. Lewis is a granddaughter of Mrs. D. Stump.

One of our citizens exclaims: "The beautiful showers! the fruitful showers, for this Webb Foot country!" The earth certainly was thirsty and the rain will be very beneficial.

Miss Maggie Herren and Frank Gray were united in wedlock, Wednesday evening at the home of Rev. W. A. Wood who performed the ceremony. Mr. and Mrs. Gray will live at Tillamook where Mr. Gray has charge of a sash and door factory.

C. F. French, publisher of the Falls City News got his hand caught in the press last Saturday and received severe injury. It was fortunate that the press was running at a low rate of speed otherwise he would probably have lost his hand. However report says that a few days healing will enable him to resume work again.

In this issue will be found the card of W. A. Tucker, who has concluded to continue in the real estate business in this section. Mr. Tucker is fitting up an office and will be ready to do business by tomorrow or next day. Intending purchasers will find Mr. Tucker a pleasant person to bargain with and one who will treat them fairly in all respects.

The News is in receipt of a copy of the Monmouth Herald, edited by D. E. Stitt, a former Springfield citizen. The Herald was formerly owned by W. T. Fogle, who succeeded in making it one of the newsiest weeklies in Polk county. Brother Stitt will surely do his part toward giving the citizens of Monmouth a good, live paper. He is not only a wide-awake newspaper man but one whose moral and intellectual influences will be appreciated by the good citizens of Monmouth. Success to you Brother Stitt.—Springfield News.
