During December we want you to bring the kids to town just to see their eyes bulge when they see our big display, its all in a life time. You know a SMILE is worth a million dollars and doesn't cost a cent—it don't cost anything to bring them. Throw them in the wagon when you come, you'll never regret it. We have gone to all the trouble, spent money, time and brains, to get this lot of goods here and in shape and we do claim it a satisfaction to have people call whether they buy or not; one thing we do know that we show more Christmas Novelties than any other house in Polk County and that our prices are right.
