Birthday Social

The Social Hour Reading Club and a few invited friends were pleasantly entertained at the home of Mrs. J. L. Lindsay on Wednesday afternoon. The home was beautifully decorated for the occasion, in honor of Mrs. L's birthday; the time being rapidly spent in a social way, and the reading of the life biography of Mrs. L., which elicited much amusement, by one of the guests, and terminating in a guessing contest as to the hostess's age, resulting in first and second prizes being won. After dainty refreshments being served the company departed, all voting the occasion a decided success and wishing Mrs. L. many happy returns of her natal day.
