GREAT NORTHWEST

The management of the Southern Pacific Co., (Lines in Oregon) takes great pleasure in announcing that the low rates from Eastern cities, which have done so much in past seasons to stimulate travel to and settlement in Oregon, will prevail again this Spring DAILY from March 1 to April 15, inclusive.

PEOPLE OF OREGON

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.

Fares Can Be Prepaid

at home if desired. Any agent of the road named is authorized to receive the required deposit and telegraph ticket to any point in the East.

Remember The Rates

From Chicago, \$33; from St. Louis, \$32; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.
