MADE-TO-MEASURE GARMENTS

Any of 66 Styles Made in Your Choice of 238 Fabrics

We have the Spring Fashion Portfolio of the American Ladies Tailoring Co., Chicago. It shows 66 styles of suits, coats, dresses, skirts and capes—the very cream of the latest creations. The large pictures show every detail, all in actual colors.

We have also 238 samples of cloth and silk patterns. Any garment you want in any cloth you select will be made to your individual measure, and the cost will be half, or less than half, what ladies' tailors usually charge.

Please let us prove this—let us show you the styles and the fabrics. We will guarantee you utter perfection in fit, style and workmanship. We can return to the maker, without any complaint, any garment which is not satisfactory.

Suits For \$13.50

We will show you man-tailored suits which—made to your measure—cost as low as \$13.50. The finest suits which these tailors make, costs only \$45.

Coats run from \$8 to \$30—Dresses from \$9.50 to \$30—Capes from \$9.50 to \$22—Skirts from

\$5.00 up. At these prices—hardly more than ready-made prices—you get a garment made to your measure, with all the man-tailored effects. And you get something distinctive, made to fit your style and individuality.

Every garment is made under personal direction of M. Kayser, the most famous man in his line in the country.

No Trouble

We take all your measurements right in our store. Then a diagram is made showing all the facts which a tailor needs to know. The result is exactly the same as though you went to the shop in person.

When the garment is ready—in about ten days—we deliver it to you under our guarantee. Thus you get the best of man-

tailor service without any trouble at all.

Come and See

Please come now and see this portfolio, the fabrics and the styles. See how little it costs under this plan, to get such garments as often cost two or three times as much.
