W. W. Newman has generously bestowed a new roof upon his blacksmith shop and now feels comfortable under its shelter rain or shine. The old roof was not in the same class with that of "Arkansaw Traveler" notoriety for it not only leaked in wet weather, but being constructed of iron, was uncomfortable when the sun's rays wrought strongly upon it.

Mr. Shaver and wife will visit here for a few days, then go Portland and also to different parts of Washington before returning to Minnesota. Quite a number of towns in Oregon are sending up the cry "Hill is coming! Hill is coming!" Monmouth is not looking for Hill but does expect a visit from Halley's comet, and if the sky runner makes schedule time its tail will go swishing by sometime during next Wednesday.

Social Gathering.

Mrs. J. W. Howell entertained the Golden Rule Bible Class of the Christian Church, at her home Wednesday afternoon, May 11, 1910, this being the regular business meeting of the class.

The meeting was opened with prayer by the teacher, Mrs. Daniel. After the business session they proceeded to the literary program, which was enjoyed by all, especially the recitation by Mrs. Della Force.

The program was concluded by singing the class song, "Will There Be Any Stars in My Crown?"

Dainty refreshments were served, after which each went to their respective homes feeling that they had spent an enjoyable afternoon. Those present were: Mesdames Howell, Stanton, Daniel, Haley, Simpson, Burt, Force, Shore, Dalton, Whitney, McKinney, Mason, Cornwell, E. D. Mason, and Miss Maggie Butler.

Gone to the Beach.

Our genial townsman, F. Y. Mulkey, has taken a lay-off and gone to the seashore to recuperate. Mr. Mulkey has been a very busy man for some two months past working in the interest of the State Normal School proposition to get it before the people of Oregon; in fact he taxed his physical endurance beyond his strength and recuperation became necessary.

At Newport he intends placing himself under the care of Dr. McIntosh and rest up for a month after which he expects to continue his efforts in behalf of the school interests. F. Y. has done good work and lots of it and we hope to see him return in good working trim.
