## 238 FABRICS

## MADE TO MEASURE

We have samples of 238 fabrics, all of the newest weaves. Many of these are silks. And we have a Portfolio picturing in actual colors the most charming spring styles created. There are 66 separate styles in suits, coats, dresses, skirts and capes.

These are all supplied to us by the American Ladies Tailoring Co., Chicago, whom we represent. They will make any garment to your individual measure—in any style and any cloth—just exactly the same as though you went in person to their tailoring shop.

We take all the measurements right in our store. A diagram is made giving all the facts which a man-tailor needs to adapt the garments to your individuality. Thus you get all the distinctiveness—all the effects—which the highest-priced tailor could give you.

We deliver the garments and guarantee satisfaction. Any garment not right is returned to the maker.

## About Ready-Made Prices

Garments made in this way—to your individual measure—cost hardly more than ready-made garments. Small ladies' tailors, for no better service, charge at least twice as much.

Suits from \$13.50 to \$45.00. Dresses from \$9.50 to \$30.00—Coats \$8.00 to \$30.00—Capes \$9.50 to \$22.00—Skirts \$5.00 up. These prices, remember, are for man-tailored garments, made to your measure.

Please come and see the styles and fabrics. Let us quote you on the garments you want. See how easily and cheaply you can now get the utmost in women's clothes.
