## Piano Contest

### Notice to the Public

Owing to the fact that during our Piano contest, we will be compelled to have a very large amount of printing and advertising done we have made arrangements with the Monmouth Herald to give to every new subscriber to the Herald for one year 200 votes, and for two years 500 votes on our Piano, and the same rate will apply on all old subscriptions that are paid up at once. Any one desiring to take advantage of this opportunity will do well to do so at once, as we cannot say how long this offer will hold good.

Yours truly,

## IN TOUCH WITH FRIENDS and RELATIVES

Let Baby Grandma will be there!

The City and the Country are brought together by the telephone line.

The farmer can save time and money by using the rural telephone in ordering repairs for machinery from his dealer, his family in calling up friends and in getting supplies from the market towns.

City people also find the rural telephone of great advantage. A traveler from his room in the hotel talks with the farm folks miles away. Without the telephone he could not reach them.

The farmer himself may travel far and still talk home over the Long Distance Lines of the Bell System.
