Pioneer Doctor Seriously Ill

Dr. T. V. B. Embree, a pioneer resident and physician of Polk County, is dangerously ill at his home in this city and it is feared that he may not recover. Attending doctors pronounce his case a general breakdown due to advanced age, Doctor Embree now being in his 75th year. One week ago today he attended the funeral of his old friend and neighbor, Daniel Richardson, and at that time he was apparently in the best of health. The next day he suddenly became ill, and has been unconscious the greater part of the time since. His heart and kidneys are seriously affected and he is suffering intensely from inflammatory rheumatism. The aged physician is being given the best of medical attention, but his brother doctors admit that the chances of recovery are all against him.—Dallas Observer.

Had a Birthday Party

Miss Daphne Ostrom entertained a few of her friends and schoolmates at her home on Saturday October, the 22nd, in honor of her 13th birthday.

Games were played, refreshments were served, and a jolly good time was enjoyed by all.

Those present were; Frances Quisenberry, Clara Neal, Letha Egelston, Gladys and Althea Evans, Gertrude Rogers, Mabel Smith, Grace Parker, Violet Kohnke, Beah and Dophne Ostrom.

An Enjoyable Evening

A very pleasant time was spent at the home of Mr. and Mrs. W. R. Graham, on Monday evening Oct. 24, when a popular crowd of Monmouth's young people gathered for a social time.

The evening was passed in games and music, after which a delightful lunch was served.

The room was very prettily decorated with autumn leaves and flowers of the season, with jack-o-lanterns smiling here and there, to remind one of approaching Halloween.

At a late hour the guests departed for their respective homes, declaring Mr. and Mrs. Graham charming entertainers.

Those present were: Messrs Ranie and Artie Burkhead, Glenn Work, Russel Quisenberry, Howard Morlan, Orville White, Horace Chaney and Teddy Graham. Misses Oleo Shore, Amey Chaney, Hazel Work, Ruby Fream, Agnes Clark, Doris Herren, Loette Shore and Grace Graham.

Leg Broken In Runaway

Fred Ellis was the victim of a runaway accident at the Minnich farm South of Dallas last night. His left leg was broken and he was severely bruised about the body.

Mr. Ellis was hauling water when the runaway occurred. His wagon collided with a gatepost in the darkness and he was thrown to the ground between the two horses. The barrel on the wagon overturned and the splashing of the water frightened the horses and caused them to run. Both wagon wheels passed over Mr. Ellis' leg, breaking it twice just above the instep.

Mr. Minnich brought the unfortunate man to the Dallas Hos-

pital today and the broken bones were set by Doctors McCallon and Bollman.—Dallas Observer.
