The measure to create a High School Fund in Polk county carried by an even two hundred majority.

Mrs. J. M. Reed, of Seattle, arrived here yesterday on a visit to her brother, G. A. Muscott, and family.

Cecil Beckley, of Yoncalla, arrived here Saturday on a visit to relatives and expects to locate in this section.

John Ebbe was in from Toledo to visit his parents Mr. and Mrs. C. H. Ebbe. He returned to Toledo Monday.

A. N. Poole and wife have gone to Hermiston, Eastern Oregon, to visit friends and relatives for a month or so.

W. E. Strong visited Salem last Wednesday. He went over in his auto but found the roads rather soft for autoing.

G. A. Peterson was in town Wednesday night having come in from Suver to look after his father who is somewhat worse.

A. L. Chute came over from Jefferson last Friday having business to look after here. While Mr. Chute likes his new home he says it is rather lonely. He returned home Saturday.

Several Monmouth citizens were in attendance at the football game last Saturday, at Corvallis, when the team from the State University at Eugene played the team of the OAC. The U. of O. team won twelve to nothing.

Messrs John S. Scheible and son Guy returned to Monmouth Saturday last having spent a week looking at the sights around Newport. They were quite well pleased with their visit although the rain kept them indoors a large portion of the time.

Our friends J. S. Scheible and son, Guy, who have been visiting here for the last six weeks, took their departure, Wednesday, for Portland where they were to meet J. A. Houk and wife, who come West with them. Mr. Scheible with Mr. Houk and family will return to Indiana by way of the Southern Pacific route, perhaps stopping at Los Angeles for a few days. Guy Scheible had not made up his mind as to what he will do, and may stop in Portland and study the barber profession.

SCHOOL NOTES

The Student Body met last Thursday morning for the purpose of voting on the names of the young men of the town who wished to join the Athletic Association and were not students of the High School. The names of Harold Herren, Howard Morlan, Harold Davis, Fletcher and Williard McInturff, Ray Chute, Lloyd Waller, Fred Smith, Orval White and Russel Quisenberry were accepted as members of the association.

The committee prepared the rules and regulations of the gymnasium which were adopted. Alva Craven was chosen director for both the girls and boys. The teams are at work and will soon be ready to open up the basketball season.

The first of the series of lectures for the benefit of the High School students occurred last Saturday night. Hon. J. H. Hawley gave a lecture on the subject of voting. This was well attended by citizens as well as students. Mr. Hawley is a pleasing speaker and presented his subject in a

forceful way. He is one of the few men of the state who enjoys the distinction of voting by the method of Viva Voce vote.

The students received much benefit from the lecture and we predict that the course of lectures planned by the Principal will be productive of much good to the students as well as the citizens.

A musical program was rendered by the students.

The Laurean Society gave their program last Friday afternoon. Mesdames Heffley and Murdock attended the meeting of the Lourean Society.

Miss Effie Shore, the primary teacher, went to Portland Saturday.

There is great rejoicing among the students over the result concerning the vote on the normal question so far as Monmouth is concerned. The fact that the old school has at last won her well merited place amongst the educational institutions of the state is a complete vindication of her excellent record in the past under Pres. Campbell and Prof. Ressler.

A shower party was given Miss Fay Strickler at her home, Tuesday evening, Nov. 15, 1910. It is rumored that she is soon to become the bride of one of our prominent business men. Miss Strickler was formerly a member of the High School but for the past year has been employed in the store of Lindsay & Co., where she was very popular. The evening was spent in games and music after which light refreshments were served, and at a late hour the guests departed wishing her much happiness. Many beautiful as well as useful presents were received.

The Philomathian Society program is posted for next Friday.
