Roseburg Ships 7000 Turkeys

Roseburg, Or., Nov. 19—According to local poultry dealers, who consigned final shipments of turkeys to the Coast markets late yesterday, more than 7000 birds have been shipped from Douglas county during the past week. It is estimated that the birds weighed approximately 80,000 pounds and that the growers realized \$19,475.

An Oakland firm purchased in the neighborhood of 4500 turkeys, most of which were shipped to the San Francisco and Seattle markets. The firms paid an average of 24 1-2 cents a pound.

One Roseburg firm purchased 2500 birds, for which it paid 24 cents a pound. These turkeys were shipped to the Portland and Seattle markets. Aside from these shipments it is estimated that about 500 turkeys were purchased in small lots and sold to private concerns.
