A Story Worth Telling.

The hundreds of satisfied customers who depend on this store for Shoes is our greatest and best advertisement. But there may be readers of this paper who do not know the truth about

"Star Brand" Quality

who have never worn a "Society," a "Quaker" or a "Mayflower" shoe, our three leaders for women who appreciate "nice" shoes at inexpensive cost. And men, too—no doubt there are men who would admire and wear a "Patriot," or a "Pilgrim," did they but know of their style, comfort and almost everlasting quality.

Add this is why we talk "Star Brand" shoes in the newspapers—the story is so good it is well worth the widest telling.

"Star Brand Shoes Are Better."
