There were 182 applicants and 66 passed making a percent of 36.26 that were successful, also there were 79 who failed in only one or two subjects, and they will be allowed to write on those subjects in the June examination.

Every pupil who wrote in the last examination and did not pass ought to write in the June examination, which will be held on June 8 and 9.

Comparing the work in this county with reports from other parts of the state, the pupils have done as well if not better than the majority of counties.

Respectfully,
H. C. SEYMOUR, Supt.
