The Store That Saves You Money

## Often Saves Human Life

WHEN the doctor is summoned to the farm, it is generally in an emergency case.

Often it is a matter of life and death.

A member of the family has been stricken with sudden illness or an accident has occurred.

Every minute's delay reduces the chances of recovery.

It is then that the Bell Telephone is "worth its weight in gold" to the anxious farmer.

It pays for itself then and there.

Consult our local manager and protect your family, next time you come to town.
